## MX5 Run to Teneafeate Winery

## 19<sup>th</sup> June 2016

On a crisp and cool morning on June, 12 cars met

at Golden Grove Nursery for a catch up coffee and browse. Earlier that morning, I received a call from a possible new member Bob, who met us at Golden Grove to chat to us about our beauties, he commented on how well the website provided information. The Ferrari Car Group also was at Golden Grove providing some car candy for some members of our club!

Driving through Range Road North, I had to alert following drivers of a police officer waiting to catch any rev heads! Continuing on to Mount Pleasant the heaters were turned up and beanies put on as the temperature dropped. The

Vintage Motorcycle Group was out for a run also and had parked at Mt Pleasant Comport Stop. Mark had planned to take our drivers up Checker Hill Road and another favourite Menglers Hill Road.

Arriving at Teneafeate Winery, the Jaguar Car Club was also present. As walked in, we were promptly greeted with warm

Bruschetta's and indulgent cheese platters.

Then, the pizzas arrived and we had a choice of Margaritas, Vegetarian and

Supreme. After some time of feasting and talking, we thought it best to pay up and leave, which happened to be about 3pm.

A grand day out!!
