

MAZDA MX-5 CLUB  
OF SOUTH AUSTRALIA INC.

## Picnic & Trophy Presentation Day

Paxton Wines McLaren Vale  
Sunday 25<sup>th</sup> February

Each year, our Club's Motorsport Calendar commences with the Marque Sports Car Association's Picnic & Trophy Presentation Day. Trophy presentations are held at the end of what is primarily a picnic outing for the combined car clubs that have competed in MSCA Supersprint events during the previous year. This year the event is being held at [Paxton Wines](#) McLaren Vale - 68 Wheaton Road McLaren Vale - on February the 25<sup>th</sup>.

In what has become a major (and very competitive) part of the day, there is also a Show & Shine where clubs are invited to display their cars in separate groups. Awards are presented for the best club display and for the best individual car – highly prized trophies.

In recent years, MX5's have disappointingly presented a very poor showing at this event, brought about by the general consensus that this is a day for the motorsport group only. Nothing could be further from the truth! This is a relaxed picnic outing with something for everyone – including wine tasting for those who would like to participate.

The day provides an opportunity to meet fellow enthusiast from other car clubs – MG, Alfa Romeo, Clubman, Mini's and more. It's also an opportunity for the motorsport group – many of who have mid-week work commitments – to enjoy an outing with those club members who mainly attend social events.

Paxton Wines is a fully certified organic and biodynamic winery that is worth a visit in its own right. The event kicks off at 11:00AM with judging of displays from 2:00PM. (BYO picnic & chairs)

Come and enjoy the day. We look forward to a strong turn out this year at what promises to be an enjoyable day with something for everyone.

RSVP by 18<sup>th</sup> of February
