

**MAZDA MX-5 CLUB  
OF SOUTH AUSTRALIA INC.**

*It's nearing Christmas and the cherries are ripening. So, let's do it again at the Kenton Valley Cherry Farm and enjoy a Club morning tea together:*

**When:** Thursday 16th of December 2021 at 10am

**Where:** 'Shed Door Café', Hartley Vale Road, Kenton Valley (See [map](#).)

**What's there:** Cherries for sale below retail prices. [Both second and first-grade (export) quality]. A café with good coffee, snacks and everything featuring cherries - including cherry pies, cherry slice, cherry ice-cream and cherry shakes! [It's been expanded since our last visit.] **40 seats have been tentatively booked but more may be added if RSVPs exceed this and the Cherry Farm can cope. Book early.**

After the morning tea, those who are keen can follow Des & Susan Long on a short run to the [Bridgewater Inn for lunch](#) – ideally in the garden (see image below). This is a tentative arrangement depending on the interest and the available reservations at the Bridgewater once I see the RSVPs. There are no competing bookings a present.
