Round 5 of SA Motorkhana Championship

Sunday 10 Oct 2021

Held at Mallala Motorsport Park Skidpan, Mallala, SA.
Competition starts at 9:30am.

Motorkhanas are motor sport events designed to test the acceleration, braking and handling of cars and the skill and judgment of drivers. Most importantly, motorkhanas provide fun and enjoyment whilst practising and learning car control, but at safe speeds under controlled conditions. Motorkhana's can have the least impact and potential for damage to your car.

A day's event consists of a number of tests, generally selected from pre-determined layouts. Cars compete one at a time, always starting and finishing in designated "garages". Markers are coloured stakes to indicate direction of travel, and time penalties are incurred if the markers are hit, or if an incorrect method is used.

For those wanting to compete, entry is via Motorsport Australia Event Entry online system. The minimum requirement is a Motorsport Australia Speed Licence for Entry to the Motorkhana.

This Event will include Come and Try activities. For those wanting to Come & Try, cost \$75, contact Peter Coulson, Motorsport member, motorsport@mx5-sa.com.au, mob: 0419215964

You can always come along and view the event as a spectator for free.
