Junior Members requiring Club (Historic) Registration – 3-year membership (mandatory)

A 3-year membership is mandatory for all members wishing to use the Club (Historic) Registration scheme. The 3-year membership substantially simplifies the administrative process for both the member and the Club as it matches the duration of the logbook. (This will be calculated at a junior member rate until you qualify for standard membership at age 18).

Junior Members may only join for a 1-year period unless in conjunction with Club (Historic) Registration.
